Hi Pat,

We received New Indy's response to the Section 114 letter this afternoon, and the Region 4 team is beginning to review the response for completeness and to get a sense of what we actually received. I've also set up a meeting with the team for this Wednesday afternoon to discuss breaking up the work and strategies to most efficiently get through the information and expedite the review. I included you on that invite and am hoping you may be available to provide us with your thoughts, as well as discuss any support we can get from ERG. I believe several of the questions/items included in the 114 request were provide by ERG.

Thanks,

Jason
